Dear Paul:

Reference is made to your letter dated May 26, 1960 in which you stated there would be termination charges under HF-CT-693 as a result of cancellations.

We have not yet received such termination claims nor the credit amendments to the priced exhibits to reflect the adjusted total funds for Fiscal Year 1958 mentioned in referenced letter.

Final claims for past periods under Contract TM-1461 have not been received to date, either.

We would also like to point out that the Pricing Formula and Contract Hourly Rates under the contracts expired on 30 June 1960 and you are now on a provisional billing basis. Your proposal for a current Pricing Formula and Contract Hourly Rates is requested.

Your early attention to the above problem areas will be appreciated.

Very truly yours,

25X1A
